Bringing light to life

Why Skylights

Daylight is powerful. It redesigns the look and feel of our home every hour of the day. It balances our circadian rhythm, improves our general health and well-being, decreases our dependency on electricity, and gives functionality back to our space. We often ask, "Why skylights," but with endless reasons why you should install a skylight, the question becomes more, "Why not skylights?"

Why VELUX

For over 75 years, VELUX has pioneered the roof window and skylight market. Our focus has always been on creating the best quality, most energy efficient daylight products available. Take advantage of our experience and reimagine your home in daylight with VELUX skylights.

A Must-Have for Your Home

Homes that are warm, inviting, and full of light are homes full of life. Before browsing paint colors, ordering fabric swatches, or thumbing through catalogs for inspiration, look up. The most unnoticed yet impactful wall in every room can be your next design space. Change more than just your wall color, transform the look and feel of your entire home with skylights.

Solar Powered "Fresh Air" Skylight VSS Model

When you pair natural light with fresh air, you open your home to a world of crisper, cleaner air and brighter days. The VELUX Solar Powered "Fresh Air" Skylight uses the power of the sun to refresh your home with the touch of a button.

- As part of the Go Solar family, this skylight is eligible for a federal solar tax credit.*
- The skylight features a solar panel that captures available daylight to recharge a battery-powered operator and control system.
- Fitted with a rain sensor, your skylight will automatically close at the first signs of rain.
- Compatible with VELUX ACTIVE with NETATMO: your home's climate control and monitoring system. *See page 11*
- Clean, Quiet & Safe glass is standard on all VSS models. *See page 13*

Layers of Water Protection

At VELUX, we've developed three layers of water protection to safeguard your house against damaging leaks. Our No Leak Skylight carries a 10-year installation warranty plus 20 years on glass, 10 years on product, and 5 years on blinds and controls.

- 1 Pre-attached Seal**
Pre-attached deck seal provides a tight seal for leak-proof installation.
- 2 Adhesive Underlayment**
Adhesive underlayment for secondary water protection against the harshest weather conditions.
- 3 Engineered Flashing**
Engineered flashing for easy installation and primary water protection.

Safest Glass to Live Under

Clean, Quiet & Safe

VELUX Deck-Mounted Skylights come standard with our most-recommended, top-rated glass: Clean, Quiet & Safe. Named for its three biggest benefits, this glass comes with state-of-the-art, energy-conserving LowE glass, designed to keep your home warmer in the winter and cooler in the summer.

Clean: Skylights stay cleaner longer with Neat® glass coating.

Quiet: Reduces unwanted outside noise by up to 25% compared to a standard double pane glass and up to 50% compared to a plastic skylight.

Safe: Unlike tempered, this glass does not shatter into pieces when cracked.

Standard on: VSS, VSE

Available on: VS, FS

Complete Light Control
